  - **New York University, 2008 (B.A.)**
- **Where did you grow up?**

- Toronto, Canada then Phoenix, Arizona
- **What brought you to San Antonio?**
  - My wife attends medical school at University of Incarnate Word
- **What has been your favorite SAYLA event?**
  - The soak!
- **Why vote for you?**
  - I am accountable and responsive. More importantly, however, I like to help like-minded people get together and have a bit of fun. As someone who only recently moved to Texas (and did not attend law school here), SAYLA has been a great outlet for me to find new friends in San Antonio. I'd love to help share grow and share that experience with others.
