

**Oscar Quiroz**

**Employer:** Watts Guerra, LLP

**Brief description of practice:** I primarily focus on personal injury, mass torts, harmful pharmaceuticals, and commercial litigation.

**Law School / Undergrad:** St. Mary's University School of Law/ Texas A&M University

**Where did you grow up?** I was born in Torrance, California, and raised partly in southern California before migrating to Helotes, Texas in 2006.

**What brought you to San Antonio?** My family wanted a change and to be closer to family we have in Texas. We got here as quick as we could!

**What has been your favorite SAYLA event?** The SAYLA Golf Scramble. I first attended while in law school because my employer had sponsored the event. I think it is a great way to get the San Antonio legal community together and working towards benefitting a great cause in a fun environment.

**Why vote for you?** I would be honored to continue serving on the SAYLA Board of Directors because I have experienced first-hand the great things the organization does for its members, the bench, and for the community. I first joined SAYLA as a law student member in 2016 while a 1L at St. Mary's University. There, I was elected to serve as the Student Bar Association's SAYLA liaison where I helped coordinate events between SAYLA and the

law school's student organizations. I have experience creating videos and marketing materials and hold a commercial drone pilot's license. My technical skills, past experience, and love for giving back to the community make me an excellent candidate to continue serving on the SAYLA Board of Directors.

**Favorite San Antonio Restaurant:** Best Quality Daughter (5/5 recommend)
