I am honored to run for Vice President of the San Antonio Young Lawyers Association. Over the past four years, I've had the privilege of serving on the SAYLA Board, where I've chaired both the Wellness Committee and the Judicial Jamboree event. I'm deeply committed to our legal community, currently serving on the Bexar County Women's Bar Association LEAD Academy Steering Committee, the San Antonio Legal Services Association Board, and the San Antonio Bar Association's Appellate Section Board. I also enjoy mentoring law students and helping them sharpen their appellate advocacy skills through moot court. As a commercial litigator and appellate attorney, I understand the importance of professional growth, community service, and strong leadership. I would be grateful for the opportunity to continue advancing SAYLA's mission and serving our members in this new role.
