2018

Maira L. Gonzalez is an Associate Attorney and experienced in probate and estate planning, as well as guardianship and corporate law. Maira earned her Law degree from the Texas Tech University School of Law where she graduated magna cum laude.

I have served on the SAYLA Board of Directors since 2021 when I first became a Director. From the beginning, I have enjoyed working with young leaders and learning from one another. As the years have passed, I have had the incredible opportunity to grow my network while giving back to the legal and non-legal community through SAYLA/SAYLF's programming including our annual golf scramble and the Gateway's Citizenship Clinic. I have greatly enjoyed being on the Board for the last five bar years and I would love to continue being part of an organization that I truly care about. I think SAYLA/SAYLF can continue to grow and evolve, and I would like to be part of that change. It would be my privilege to serve as SAYLA/SAYLF Secretary for the 2025-2026 bar year. Thank you for your consideration!
